Lostock Primary School

The Big Picture

Year 2 Autumn 2 (26/27)

What happened in London?

As writers we will be

- Using texts to support our learning of habitats
- Sequencing and retelling stories
- Writing non-fiction texts about animals
- Learning how to make our sentences longer and more interesting
- Using expanded noun phrases
- Ensuring we use capital letters, finger spaces and full stops in our sentences

As mathematicians we will be

- Practising 2x, 5x and 10x tables
- Practising different methods of adding and subtracting two digit numbers
- Calculating money totals and using subtraction to work out change
- Recalling and using multiplication and division facts for the 2, 5 and 10 tables, including recognising odd and even numbers
- Exploring ways to represent ½ and ¼ by dividing shapes and numbers

As computing technicians we will be

- Developing our digital literacy skills
- Learning how to save an image and retrieve it
- Adding page borders
- Inserting a basic table

We will also be learning and developing our skills in reading across the curriculum, as well as PE, RE, PSHE and Music.

As scientists we will be learning about

- A variety of mini beasts
- How scientists answer questions
- Living things and habitats to which they are suited
- How to carry out experiments and record data in a table

In our Creative Curriculum sessions we will be

Geography:

- Finding out about the capital cities of the UK
- Looking at what famous buildings and landmarks are in London
- Learning how to use a map to find information
- Devising a simple map
- Finding out the names of the 4 countries and their capital cities

Design Technology:

- Using a range of equipment to create and make a moving wheel
